The Fidelity Citizenship Award

There are many Caymanians who work tirelessly and anonymously to build a better society. Fidelity wants to publicly recognize and honour these important and worthy people by asking that you nominate the everyday champions of your lives. Tell us who they are and of their quiet, unselfish and wonderful deeds. We want to honour and reward these Nation Builders with a monetary award to be used to further the good work the recipients are doing and to encourage more citizens to shoulder the responsibility of community kinship and care. The nomination process will target those who have made it a priority in their personal lives to reach out and help those less fortunate in our community and/or are dedicated to a cause/organization and whose efforts have produced positive differences for the people of the Cayman Islands. The winner will be an individual who consistently displays a positive attitude, a willingness to meet and go beyond the normal call of civic duty, and whose efforts are seen as an inspiration to those around them.
